Marilyn Moss, Executive Secretary
Radio Station WCSR
10½ Prospect Street
Northampton, Massachusetts

Dear Marilyn:

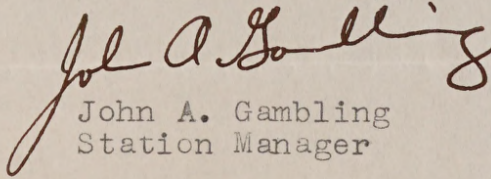

Thanks for your letter of the 1st, and, needless to say, we were sorry to hear that you won't be able to accept our 'invitation' this year. However, your raincheck is most heartily granted, and I will get in touch with you when we get back in operation in the fall.

We have been hearing nothing but good reports about the success of the Pioneer Broadcasting System, and our collective hats are off to a good idea well excuted.

Please pass the word along that any time that any of your staff happen to be in the general environs of Hanover they are most cordially invited to drop up to the studios, and get the Cook's tour.

Thank you for your wishes for a good summer, and, as the mutual admiration society comes to order, let me extend the same wishes to you and WCSR.

Yours very truly,

John A. Gambling
Station Manager

P.S. It must be quite obvious that WDBS could use the services of a WCSR'er to type our letters. Ah, the life of a single male!
